

AGILITY IN PROCUREMENT

13 September 2019

Agile methodology has been rocking the world over the past years.

Companies use it to be more collaborative and effective for when uncertainty prevails.

Today, we need to explore why and how Procurement teams can adopt and adapt this methodology.

This webinar will describe when and how we can adopt an agile approach to select a Solution and a Supplier.

Structure:

- ✓ What is agile?
- ✓ Why agile in the Procurement arena?
- ✓ How to implement an agile vendor selection process?
- ✓ When can you use this approach?
